

2/12/2010

**Hi Everyone!**

I wanted to thank all of you for using the web signups for last weekend's shoot. The benefits may not be completely obvious to you as you stand in line to pay so I wanted to send a quick note to let you know why we are asking the membership to use this method of sign up and the benefits to you, our membership.

The intent of the web sign up is to allow us time to get the scoring spreadsheets populated prior to the actual shoot date. In the past you would pay and then someone would have to spend 30-45 minutes minimum to get everyone's CMSA number, Level, and Name entered into the scoring spreadsheet. In addition, I realize that you didn't come to the shoot so you could stand for 30 minutes in line waiting to pay.

I am still working to streamline this process and there are 3 simple steps you could do to limit your time at the sign up table and help us get our shoots started on time.

- 1) Use the online form to sign up**
- 2) Print out the release form and sign it before you arrive at the shoot**
- 3) Attach your check for the amount you owe to the Release Form**

THAT IS IT!!

For the Rawhide shoot, **if you follow the process above, all you will need to do is walk up to the table and drop your check and release form into the basket** that will be provided for pre-sign up entries. Also, keep in mind that if you paid for last Sunday's shoot, deduct the \$45 dollars from this entry!

This will minimize the time you have to spend signing up and allow us to help new members and give them the welcome they deserve!

Again, let me thank each of you again for being willing work with us as we try new processes to make for a better experience for you, the members.

Look for more communications as we continue to streamline this process and feel free to let me know how this works out for all of you!! If you have any questions feel free to email me at [morsebrian88@yahoo.com](mailto:morsebrian88@yahoo.com) and I will respond as soon as possible.

Thanks again!!

Sincerely,

**Brian Morse**
